Dcm Report: Julie District 6 DCM

I have received emails this past few weeks from Diana and GSO. I have forwarded them to all of you. The interesting one I found was that the financial contribution have exceeded the same period last year by more than \$760,000 which is about 9% increase and also for August and September 5% more they are working on prudent reserve GSO would like to have 9 to 12 months in reserve the current balance stands at 6.1 months that would require an additional \$4.8 million. Please have your group send more money.

I have attended a workshop at the Isanti Alano club. Which was held on November 3rd and 17th I want to thank everybody that has been participating on the research on the subject of how we address the new financial reality facing

our spiritual movement. The next one will be held on December 8th.

I reserved one room for January 11th and 12 workshops in Crookston. The cutoff date will be December 11th for \$99 Crookston and 2200 university Ave. phone #218-470-1000.

District meeting for December will be a potluck time starting 630 we will have business as usual. I have a suggestion for new business that we have a men's and women's room for workshops to pay for all chairs that don't hold a GSR position.
